CRIMINAL JUSTICE

CS/HB 1019 Exemption/Location of Safe Houses: Creates a public record exemption for information about the location of a safe house, safe foster home, or other residential facility serving victims of sexual exploitation. Also creates an exemption for information about the location of a residential facility offering services for adult victims of human trafficking involving commercial sexual activity. Creates ss. 409.1678 and 787.06, F.S. Companion to SB 1436. *Rep. Ross Spano (R-Riverview)*

- House: Passed unanimously. Now in Senate Messages.

CS/HB 1021 Exemption/Human Trafficking Victims: Expands the public record exemption for criminal intelligence or criminal investigative information under s. 119.071(2)(h), F.S., to also include information relating to human trafficking victims. Also amends s. 943.0583, F.S., to create an exemption for criminal intelligence or investigative information related to victims of human trafficking resulting from the arrest for an offense committed by the victim as part of a human trafficking scheme at the direction of the operator of the scheme, which is contained in expunged criminal history records. Amends ss. 119.071(2)(h) and s. 943.0583(10), F.S. Companion to SB 1426. *Rep. Ross Spano (R-Riverview)*

- House: Passed unanimously. Now in Senate Messages.

DATA PRACTICES

CS/SB 782 Government Data Practices: SB 782 contains numerous provisions relating to personal identifying information held by government agencies. Among the most significant:

- Department of State: Requires the Department of State (DOS) to adopt rules regarding the procedure for agencies to establish schedules for the destruction of public records containing personal identification information.
- Privacy Policies: Requires agencies that collect personal identification information through a website and retain such information to prominently post a privacy policy on the website, and stipulates

what those policies must, at a minimum, provide. Stipulates that all contracts between a public agency and a contractor specify that the contractor must also comply with the privacy policy requirement.

- Office of Program and Policy Analysis and Government Accountability: Requires the Office of Program Policy Analysis and Government Accountability (OPPAGA) to create a report which (1) identifies personal identification information held by certain agencies; (2) describes the process by which an individual may view and verify the accuracy of his or her personal identification information; and (3) identifies any obstacles that impede an individual's access to such records.
- Agency for Health Care Administration: Requires the Agency for Health Care Administration (AHCA) to provide, maintain, and update at least quarterly, electronically accessible data on assisted living facilities, stipulating that the data must be searchable, downloadable, and available in generally accepted formats, and at a minimum include: (1) specified information on each assisted living facility; (2) a list of the facility's violations; and (3) links to inspection reports on file with AHCA. The remainder of that section remains the same. Also requires AHCA to create a comprehensive health information system to promote accessibility, transparency, and utility of state-collected data and information about health providers, facilities, services, and payment sources, stipulating that such data must be available in a manner allowing for and encouraging multiple and innovative uses of data sets, and that vendors who enter into contracts with the state do not inhibit or impede public access to such data.

Amends various statutory provisions. Similar to HB 1231. *Sen. Jeff Brandes (R-St. Petersburg)*

- Senate: Passed unanimously. Now in House Messages.

DATA SECURITY

CS/SB 1526 Exemption/Data Breach Notifications: SB 1524 creates the Florida Information Protection Act of 2014, requiring government agencies and private businesses to report any breach of security to the Department of Legal Affairs (DOLA), and to each individual whose personal information may have been accessed as a result of the breach. CS/SB 1526 creates a public record exemption for all information received by the Department of Legal Affairs (DOLA) pursuant to the requirement that DOLA be notified of all breaches of data security. Also creates an exemption for records relating to investigations of such breaches held by DOLA or a criminal justice agency, stipulating that the records are subject to disclosure once the investigation is complete. Allows disclosure during the investigation under certain specified conditions. The following information remains exempt once the investigation is complete: personal information; computer forensic reports; information revealing weaknesses in data security; and proprietary business information. "Proprietary business information" is defined as information owned or controlled by the entity reporting the breach that is intended to be private in that disclosure would cause harm to the entity's business operations, and has not otherwise been disclosed, including trade secrets and competitive interests. Creates s. 501.171, F.S. Companion to HB 7087. *Sen. John Thrasher (R-St. Augustine)*

- Senate: Passed unanimously. Now in House Messages.

DIRECT SUPPORT ORGANIZATIONS

CS/HB 1153 Citizen Support and Direct Support Organizations: In pertinent part, creates s. 20.058, F.S., making various changes to the reporting requirements of citizen support and direct support organizations and the agencies and institutions such organizations support, including:

- Requires citizen support and direct support organizations created pursuant to law or executive order, to annually submit the following information to the appropriate agency: (1) the name,

mailing address, telephone number, and web address of the organization; (2) the statutory authority or executive order creating the organization; (3) a brief description of the organization's mission and the results obtained; (4) a brief description of the organization's plans for the next three fiscal years; (5) a copy of the organization's code of ethics; and (6) a copy of the organization's most recent Form 990.

- Requires each agency receiving information from such organizations to post that information on the agency's website, and include a link to the organization's website.
- Stipulates that all contracts between a citizen support organization or a direct support organization are contingent upon the submission and posting of the required information.

In addition, CS/HB 1153 puts all citizen support and direct support organizations on a five year sunset review. Creates s. 20.058, F.S., and amends various statutory provisions. Companion to SB 1194. *Rep. Bill Hager (R-Boca Raton)* 😊

- H. State Administration Committee: Reported favorably. Now on H. Calendar.

ETHICS AND ELECTIONS

CS/SB 846 Government Ethics: In pertinent part, expands the requirement that constitutional officers receive ethics and open government training annually to also require such training of elected city officials. Stipulates that those public officers and officials who are required to undergo such training certify completion of the requirement on his or her financial disclosure and financial statement report, and that failure to certify completion of the training is *not* “an immaterial, inconsequential, or de minimis error or omission.” Prohibits a member of a board or commission from failing to vote unless there is, or appears to be, a conflict of interest under chapter 112, F.S., or other more stringent ethics standards adopted by the board or commission. If a member asserts a conflict under ch. 112, the member must comply with the disclosure requirements of s. 112.3143 or the additional standards. Amends, in part, ss. 112.3142, 112.3144, 112.3145, and 286.012, F.S. *Sen. Jack Latvala (R-Clearwater)* 😊

- H. State Administration Committee: A strike-all amendment making substantive changes to various ethics provisions is adopted; reported favorably as amended by a vote of 14/2. (Reps. Rangel and Waldman voted no.) The two pertinent provisions explained above were not changed. CS/SB 846 is now on the H. Calendar.

EXAMINATIONS AND INVESTIGATIONS

CS/HB 415 Exemption/Investigations – Office of Financial Regulation: HB 413 authorizes the Office of Financial Regulation to conduct examinations and investigations of financial institutions without notice. CS/HB 415 creates a public record exemption for records related to the examination or investigation until the examination is complete or no longer active. Stipulates, however, that certain information, including personal identifying information of a consumer unless the consumer is the complainant, will remain exempt once the investigative records are released. Creates s. 559.5558, F.S. Companion to SB 1002. *Rep. David Santiago (R-Deltona)*

- Senate: Substituted for CS/SB 1002 and rolled to third reading. Passed the Senate unanimously.
