Re: SB 756 Exemption/Fraud, Identity Theft and Skimmer Advisory Task Force

Dear Senator Bracy:

I am writing on behalf of the First Amendment Foundation in response to SB 756, which would create public record and meeting exemptions for the Fraud, Identify Theft and Skimmer Advisory Task Force.

While we do not object to the proposed exemptions, we do suggest that the bill be amended to provide some sort of record, such as a recording, of those portions of meetings that would be closed under the exemption. Records of closed meetings are vitally important, allowing for oversight of the task force in the event that questions arise about whether the task force limited itself to the discussions it is allowed to have in private. We would suggest an amendment modeled on the language in SB 1170, lines 278-292.

If you have any questions or concerns, or if we can be of assistance in drafting the suggested amendment, please do not hesitate to contact us. Thank you for your attention to our concerns.

Sincerely,

Pamela C. Marsh, President
